- ▶ *About Us....*
- ▶ "Old Magazine" was found in 2016, succeeding from our most trustworthy brand –"Rathan Traders" (in Chennai), which has sailed through in the retail electrical segment for 45+yrs, yet going strong. Mastering the art of retail & electrical appliance services we have experienced the changes in the electrical industry over the years. From the era of "immortal" German electrical products to the best of Japanese products, we have pioneered the art of selling & servicing.
- ▶ "Old Magazine" is a new entity focusing on rustic & ambient lighting concepts. We specialize in custom make lighting solutions and use elements like copper, metal, paper, cement, leather and wood to our lighting accessories. We are known to bring an elevation in class and style to your home decor, commercial houses such as cafes, night clubs, conceptualized restaurants, wildlife lodges, boutique hotels & new age corporate entities.

### *What We Do....*

We are a quality lighting company which draws on unique and traceable products from all corners of the globe. We ensure that our portfolio of ambient lighting products will interest you, as it is rightly said "Beauty is in the eye of the beholder", and we just make sure that it doesn't go unnoticed. Currently we are based out of Bangalore & Chennai. We are not confined to boundaries and travel the world to service your requests

### *Vision....*

To revolutionize the lighting world with our rustic & unique concepts. To be known in the market for creativity and unique lighting ideas. We dream of becoming the finest example of a startup who aspires to grow at a multifold level and be the motivational reason for any young individual. To prove to the world that if you have the passion & zeal to achieve something, success is right at your doorstep.

### *Mission....*

To felicitate the requirements of our clients flawlessly. To identify the appropriate target audience and supply our products at competitive pricing. Identify creative lighting concepts and evolve with time. Offer these idea to our fellow partners empowering them to be unique in the market and win the confidence of their clientele. We strive to follow ethical business techniques thus taking the harder route to success.

## *Service - Tailor Made to suit you (Just like our products )*

We offer a personalized touch and systematic service to all our customers. We take time to consider every aspect of your purchase, and encourage you to discuss your requirements in detail to understand the finer aspects. We do offer advice based on what works best for your setup. Among our team we have a considerable amount of lighting experience and you can be rest assured about the quality of deliverables.
